NEW GENERATION HYUNDAI *i30*

QUALITY AS STANDARD

New Generation Hyundai i30.

Designed in Europe. Made in Europe.
And built for people with a highly
developed sense of style. Its powerful
flowing lines and striking exterior make
it one of the most impressive cars in
its class.

Car shown not to UK specification.

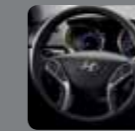

5 YEAR
TRIPLE
CARE

PASSION FOR DETAIL

New Generation Hyundai i30.

This innovative model merges intelligent ergonomics with high-tech design features to create an impressive result. The attention to detail inside the passenger compartment gives it a feeling of exclusivity, while its versatile storage and loading options make it clear that the i30 has raised the bar once again.

FLEX STEER™

Steering, three different ways. The power-assisted steering has three response levels: the Normal mode offers perfect support in the city and on country roads. The Comfort mode makes pulling in and out of a parking space easier than ever. The direct control of the Sport mode inspires on the motorway and long-range routes.

BLUETOOTH® CONNECTIVITY WITH VOICE RECOGNITION

Keep your hands on the wheel and speak freely when you call or are being called. Bluetooth® and steering wheel controls make it easy.

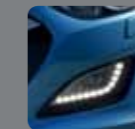

ELECTRICALLY FOLDING EXTERIOR DOOR MIRRORS

Both outside mirrors can be set and folded away electrically for parking convenience. The mirrors also incorporate distinctive indicators.

7" TOUCHSCREEN NAVIGATION SYSTEM

The integrated navigation system, with its large colour display, uses state-of-the-art touch screen technology and an intuitive menu structure. Go into reverse gear and you'll automatically be shown the view via the rear camera.

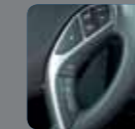

LED DAYTIME RUNNING LIGHTS

The LED daytime running lights improve visibility on the road while adding an extra touch of style. The LEDs follow the outline of the fog lights, accentuating the stylish design.

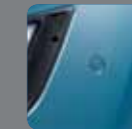

DUAL ZONE CLIMATE CONTROL

This allows you to set your ideal temperature, ensuring a more comfortable experience. There are two climate control systems which work together to ensure that different parts of the car are kept at the perfect level.

CRUISE CONTROL WITH SPEED LIMITER

The cruise control with speed limiter means you can relax in your i30, and maintain a constant speed, without the worry of exceeding the speed limit. It's particularly useful for long journeys, enabling you to enjoy the driving experience.

FRONT & REAR PARKING SENSORS

Designed to help you get into the tightest of gaps with the minimum of fuss. The sensors will alert you when the front or rear end is approaching an obstacle, avoiding bumps and scrapes.

USB AND AUX

The USB and Aux inputs enable you to attach your phone, MP3 or USB stick to the car's media system. Enjoy your favourite music whenever you like.

MORE EMOTION. FEWER EMISSIONS

New Generation Hyundai i30.
Four state-of-the-art engines, five power outputs, combine refreshing performance with low fuel consumption and emissions. In fact, the 1.6 CRDi derivatives with Blue Drive technologies and impressive 110PS deliver 97g/km of CO₂ and 76.3 mpg on the combined cycle.

Car shown not to UK specification.

Engines: 1.4 CRDi 90PS, 1.6 CRDi 110PS and 1.6 CRDi 128PS diesel or 1.4 100PS and 1.6 120PS petrol models. All engines stand out for their high efficiency, balanced torque curves and sensationally low CO₂ emissions. Manual or automatic six-speed gearboxes transmit the engine power efficiently to the drivetrain because they are intricately linked with the dynamic chassis.

FIVE YEAR UNLIMITED MILEAGE WARRANTY

It's exactly as the title suggests: A Five Year, manufacturer-backed Unlimited Mileage Warranty,* so you can drive with complete peace of mind at all times.

FIVE YEARS OF VEHICLE HEALTH CHECKS

Your Hyundai dealer will carry out an annual vehicle health check on key areas of your i30.

* Vehicles used for taxi or private hire uses are covered by a five year, 100,000 mile warranty.
• 5 Year Triple Care terms and exclusions apply. Please see www.hyundai.co.uk/owners/triple5 or ask your local Dealer.

FIVE YEAR ROADSIDE ASSISTANCE

You'll benefit from free, 24-hour roadside assistance anywhere in the UK or Channel Islands.

HYUNDAI

NEW
THINKING.
NEW
POSSIBILITIES.

Since we first started in 1967, there have been four decades of incredible progress. During this period we've continued to listen to our customers and develop cutting-edge technology. What makes us different, is that we think differently, whilst always remaining true to our Korean origins. This relentless commitment to producing the very best, whilst continually questioning convention, has seen us arrive at where we are today. We currently sell technologically advanced, high quality vehicles to people in more than 190 countries, and employ over 75,000 people. That's why we're the world's fastest growing car manufacturer.
