KIA WARRANTY OFFER

Over the years, Kia has become one of the most successful car manufacturers in Europe. The key to our success? We give our customers that little bit extra: better service by qualified technicians, regular product innovation and superior warranty coverage.

3-YEAR VEHICLE WARRANTY

Our high quality standards are what make superior warranty coverage possible: a 3-year vehicle warranty with no mileage limit on your new Kia.*

6-YEAR ANTI-PERFORATION WARRANTY

Your new Kia comes with a 6-year anti-perforation warranty.**

ENVIRONMENT

Kia Motors creates innovative products, ensuring state-of-the-art Design for Recycling (DfR) guidelines. Wherever possible, recycled and recyclable materials are being used in the production of Kia cars, all major plastic parts being chosen for ease of disassembly and stamped with a composition code. Even at the end of a vehicle's life, one of Kia Motors' environmental targets is the eco-friendly take-back and treatment of End-of-Life Vehicles. Operating a rigid process, Kia Motors has selected partners across Europe that guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest

level of environmental protection.

Kia Motors (UK) Ltd has appointed autogreen as our partner to manage the take-back, treatment and recycling of End-of-Life Vehicles in accordance with Directive 2000/53/EC. They can provide advice on whether or not your vehicle qualifies for free take-back and the location of your nearest take-back facility.

*For full warranty coverage including terms and conditions please refer to your Kia dealer.

**An annual bodywork inspection is required, for which a charge may apply.
